

GREEN STEP FORWARD

	GREEN 		OTHERS 
Jobs not cuts	Avoid cuts by increasing revenue through fairer taxes		Both Lib Dems and Labour support massive cuts
Scrap fees	Always against tuition fees and for lifelong learning		Labour introduced fees and Lib Dems broke their pledge
No sell off	NHS should be publicly provided and accountable		Labour started privatisation before the Tories & Lib Dems
Safe Energy	Reduce energy use and invest in renewable energy		Labour and Tory are pro-nuclear power

Green Party

THE GREEN ALTERNATIVE TO CUTS

Green Party

The Green Party says NO to cuts and YES to investment in jobs

Graham Wroe with Green MP Caroline Lucas - a voice for change in Parliament

Cuts to vital public services, benefits and pensions are not needed if the government:

- Closes massive tax loopholes
- Gets more people into work
- Cuts Trident nuclear missiles
- Taxes the money markets
- Taxes bank profits and cuts bonuses

Greens say create 1 million new jobs by investing in renewable energy, public transport and housing. Scrap tuition fees and reinstate the Educational Maintenance Allowance – free education for all, rich or poor.

A GREEN VOTE IS FOR...

X JOBS NOT CUTS

Our priority is to protect the people of Sheffield from the cuts. Castle Advice Centre have already lost a debt advisor, at a time when their services are needed more than ever. Graham works at Sheffield College where 120 jobs are being axed. He says "It is heartbreaking to see what is happening. Slashing EMA will be a massive blow to our young people."

X BETTER TRANSPORT

We are pushing for a city-wide 20mph speed limit on residential roads to improve road safety and reduce casualties. We want higher priority for public transport and for pedestrian and cycle routes, including winter gritting.

X HOUSING

We will give greater protection to private tenants by tightening the rules on bad landlords and ensure Council tenants have secure tenancies.

GREEN ACTION IN SHEFFIELD

The Green Party councillors have secured:

- A living wage policy for council workers
- Agreement for a city-wide 20mph limit on residential roads
- Improvements to the kerbside recycling service

In the budget we proposed making a small charge for green garden waste sacks and cutting top executive pay. This would fund solar panels on council buildings and houses and stop cuts to:

- Advice centres
- Sure Start children's centres
- Police Community Support Officers
- Day care and respite for elderly people

Labour did not support our amendment and allowed the Lib Dem budget cuts to go through unchanged.

Our Candidate GRAHAM WROE

Graham led the successful campaign to shut down the old polluting incinerator. Recently he has been campaigning against Sheffield importing waste from surrounding counties. He is press officer for Residents against Station Closure, working to ensure residents can always cross the station bridge. He is working with the Community Assembly to get improvements to the dangerous 5 way junction by Victoria Methodist Church and is opposing moves to turn Norfolk Park Road into a one way street.

Councillors Rob Murphy, Jillian Creasy and candidate Graham Wroe.
