

## Broomhill ward election result 2011

**GREENS  
CAN  
WIN  
HERE!**

### Candidate profile: Bernard Little Broomhill ward candidate

I am 57, married and have lived in Broomhill since 1986. I work as a therapy assistant at the Hallamshire Hospital and was a Green Councillor in Central ward from 2006-2010. Many of you will have spoken to me as I knock on doors throughout the year.

The village feel of Ecclesall Road, Broomhill and Crookesmoor is being eroded. Building local communities that engage with everyone is much more challenging with fewer long term residents. Other parties in power make things worse; the economy isn't recovering, the environment is deteriorating, communities are more divided and cuts hit the most vulnerable the hardest.

If you elect me as your councillor, I will focus on the need to reduce inequality and strongly argue the case for the practical policies outlined in the community-developed Broomhill Ward Action Plan.

## GREENS WORKING FOR YOU

Green MP Caroline Lucas (shown with Bernard Little) is a voice in Parliament for fairness and justice

Broomhill Greens work with local people, campaigns and community groups on ward issues.

**Bernard Little** and local campaigner Clare Draffin highlight traffic pollution at Hunters Bar

 <b>JOBS NOT CUTS</b>	 <p><b>GREENS</b> would invest in infrastructure and small businesses to create jobs. We would reduce the deficit by taxing the very wealthy and closing tax loopholes.</p>	 <p>LABOUR failed to regulate the banks. They say they would make similar cuts to the CONSERVATIVE &amp; LIB DEM coalition.</p>
 <b>A FAIR DEAL</b>	 <p><b>GREENS</b> support local residents on traffic, parking, crime, planning and licensing issues affecting communities.</p>	 <p>LABOUR intend to profit from Parking Permit Zones and are doubling prices, they have also cut council support for the police to help tackle antisocial behaviour.</p>
 <b>NO MORE PRIVATISATION</b>	 <p><b>GREENS</b> opposed from the start plans to privatise the NHS, Sheffield's costly waste contract with Veolia and the 25 year roads PFI.</p>	 <p>LABOUR and the LIB DEMS have wasted millions on privatisation schemes. LABOUR started the sell-off of NHS services. LIB DEMS support more NHS privatisation.</p>
 <b>SCRAP TUITION FEES</b>	 <p><b>GREENS</b> have consistently campaigned against tuition fees and opposed academies.</p>	 <p>LABOUR first introduced tuition fees and the LIB DEMS broke their pledge not to increase them. Both have let schools in Sheffield opt out and become academies.</p>
 <b>SAFE ENERGY</b>	 <p><b>GREENS</b> invest in energy saving and renewable energy. We oppose expensive nuclear power and wars for oil.</p>	 <p>LABOUR took us to war and planned new nuclear power stations. The LIB DEMS have slashed investment in solar energy and will now allow nuclear power.</p>

## GREEN ACTION

Green Councillors have offered real alternatives eg :

- Opposition to the huge, rising cost of the Roads PFI
- Help for people most affected by moving to fortnightly bin collections

Our council budget proposals tried to cut backroom functions and top executive salaries to support frontline services like Citizen's Advice and the Youth Service. Plus raise standards in private-rented housing and stop cuts to teams fighting anti-social behaviour. But we were voted down by Labour and the Lib Dems.

Locally, Bernard Little pressed for action that corrected meter faults which denied shoppers 15 minutes free parking across the area. He highlighted poor air quality on Ecclesall Road and at Broomhill Shopping Centre – a Broomhill Forum conference on mitigating air pollution was held on April 21st.
