

INVITATION TO A MEETING

Concerned about preserving wildlife habitats in the Sheffield area?

Worried about activities of Sheffield City Council and Amey, the private company contracted to improve and maintain our highways, including trees & verges?

Prof Ian Rotherham

Professor of Environmental Geography at Sheffield Hallam University will be giving a presentation and answering questions about

URBAN TREE DESTRUCTION

Wednesday 9th October, 7.15 for 7.30pm start

Garden Room, St Mary's Community Centre,
Bramall Lane, Sheffield, S2 4QZ

Meeting organised in conjunction with Sheffield & Rotherham Green Party.

For info about the meeting, contact eamonnward@live.co.uk or 0114 2311548
