## BUILDING A GREEN TEAM

Sheffield's Green councillors

From bus chaos to tree felling, Sheffield's Labour Council isn't listening. Green councillors listen to local people and hold the council to account on your behalf. More elected Green councillors will mean a better Sheffield.

Caroline Lucas MP

Caroline Lucas is the real opposition in parliament, showing what a Green MP and elected Greens can do. Fighting for a better democracy and against cuts and privatisation.

# CHOOSE GREEN

## BETTER TRANSPORT

**GREENS** would be tougher with the bus companies and invest more in rail, tram and cycle routes.

**LABOUR** has caused chaos on the city's buses and failed to tackle poor air quality.

## VALUE FOR MONEY

**GREENS** would keep more council services in-house. We would open up contracts to public scrutiny.

**LABOUR** are cutting vital services to pay for the big contracts signed by both Labour and Lib Dems.

## MORE HOUSING

**GREENS** would build more and better quality housing and work to improve standards for private rented homes.

**LABOUR** cut support for tenants and residents groups, and rejected solar power plans that would have cut bills.

## LOWER ENERGY BILLS

**GREENS** would invest in clean energy and insulating homes. This saves money and creates jobs.

**LABOUR** still support nuclear power, have refused to oppose fracking and took us to war over oil.

## LISTENING COUNCIL

**GREENS** would record council meetings for public viewing. We respect the referendum rejecting an elected mayor.

**LABOUR** have ignored 10,000+ signature petitions and refused to answer Freedom of Information requests.

## GREEN ACTION

Green Councillors have worked to stop litter and fly-tipping and deal with anti-social behaviour. We have challenged the policy of selling public services without public scrutiny.

We opposed plans for a new elected mayor, rejected in a 2012 referendum.

*Amey's contract for Streets Ahead is expensive and keeps the public out of decision making*

In the council budget we proposed to:

- Cut the price of residents' parking permits
- Cut executive pay in the Council
- Invest £6.5 million in cutting fuel bills for homes and schools

We also found extra money to:

- Cut air pollution from taxis
- Improve road safety and public transport
- Save vital care for the elderly and disabled

All were rejected by the ruling Labour group.
